Remarks:

- All H 600 equipments available with Plan ICS optics (infinity corrected) upon request.
- Simple polarization units available for all upright microscopes (except Med-Prax 3).
- H 600 AFL equipped with 50-W or 100-W HBO illumination, Wilovert AFL with 100-W HBO illumination.
- All microscopes (except Med-Prax 3) can be equipped with trinocular tubes upon request. H 600 HP LED and H 600 LL HP 100 are already equipped with trinocular tubes.

Anmerkungen:

BF: Brightfield
POL: Polarisation

- Oblique illumination with external cold light source and light guides.
- Option transmitted-light polarization available for Wiloskop ST-AD, incident-light polarisation wit external cold light source and light guides.
- **O**: optional.
